

Instructions

Below is the list of images you have selected for retouching

please double check they are the correct images as once the order is placed they cannot be cancelled

Please leave notes for any specific retouching requests you have on the images, even if we have spoken about this during the session as they go to my retoucher.

But also please be realistic about what you request, these should be true representations of you

Orders will take up to 10 days to be retouched, but I will of course get them back to you as quickly as possible.

You Have

1 Free photo to be used.
